EDUCATION

The University of Adelaide

Bachelor of Computer Science, Major in Cybersecurity

Adelaide, South Australia

Est. Completion Jul 2026

PROJECTS

Portfolio Website | *React, Vite, HTML/CSS, UI/UX Design, Netlify*

Dec 2025

- Designed and developed a personal portfolio website to showcase projects, technical skills, and experience in a clean, recruiter-friendly layout.
- Built reusable React components, implemented client-side routing, and ensured responsive layouts across desktop and mobile devices.
- Deployed the site using Netlify and integrated a contact form workflow to handle user enquiries.

Medical Clinic Website (Front-end) | *React, HTML/CSS, Canva, UI/UX Design*

Feb 2025 – Apr 2025

- Designed and developed a responsive React front-end for a medical clinic website, focusing on accessibility and a professional user experience.
- Researched real clinic websites to identify effective UI patterns and translated them into a custom layout designed in Canva.
- Implemented modular React components and structured CSS to improve maintainability and design consistency.

Pet Adoption Website (Full-stack Group Project)

May 2024 – Jun 2024

Node.js, Express.js, JavaScript, MySQL

- Collaborated in a team of four to build a simulated pet adoption platform with user registration and database-backed features.
- Developed server-side functionality using Node.js and Express.js, integrating routes and application logic.
- Used MySQL to store and query user and application data to support dynamic site content.

TECHNICAL SKILLS

Languages: C/C++, JavaScript, Python, HTML/CSS

Frameworks and Libraries: React.js, Node.js, Express.js

Developer Tools: Git, VS Code, Linux, Bash Scripting, Docker

Databases: MySQL, MongoDB

EXPERIENCE

Fresh Produce (Fruit and Vegetables)

Apr 2019 – Present

Coles Supermarkets

Adelaide, South Australia

- Delivered customer service by assisting with enquiries, product selection, and checkout support.
- Collaborated with team members to stock shelves, monitor inventory, and maintain a clean department.
- Trained new hires on stocking methods, digital device usage, and health and safety procedures.
- Followed store policies and food safety standards to support a positive customer experience.

Warehouse Associate

Feb 2025 – Present

TOLL (Team Global Express)

Adelaide, South Australia

- Loaded and unloaded trailers safely and efficiently to support freight operations.
- Maintained organised storage areas and followed protocols to support inventory tracking.
- Upheld health and safety standards to reduce hazards and protect goods in transit.
- Worked closely with team members and supervisors to coordinate daily tasks.
